

Bellows Globe Valve

G21

Bellows Globe Valve. Available with manual, electric actuator.

Size range	DN15-DN400
Body material	WCB,SS,Hastelloy
Plug material	304,316,316L, Hastelloy
Packing material	PTFE/bellows, Graphite/bellows
Pressure rating	Class150-300,PN10-40
Seat material	PTFE,304/316/316L/Stellite
Operation	Manual, Electric actuator

Bellows Globe Valve technical data

Series	Characteristics	Valve Legend
G21 Bellow Globe Valve	– Size:DN15-DN400 – Body material:WCB,SS,Hastelloy – Plug material:304,316,316L, Hastelloy – Packing material:PTFE/bellows, Graphite/bellows – PN:Class150-300,PN10-40 – Seat material:PTFE,304/316/316L/Stellite – Operation:Manual, Electric actuator – Application:Power,Steel,Metallurgy,Chemical,Paper,Dip-dye,Food for chlorine,ammonia system as shut-off and isolation
