

Gate Valve

CG

Gate Valve. Available with manual, electric actuator.

Size range	DN15-DN600
Body material	WCB,SS,Hastelloy
Gate material	304,316,316L, Hastelloy
Packing material	Graphite
Pressure rating	Class150-600,PN10-100
Connection	Double Flange,Butt welding,Screw
Operation	Manual, Electric actuator

Gate Valve technical data

Series	Characteristics	Valve Legend
CG Gate Valve	– Size:DN15-DN600 – Body material:WCB,SS,Hastelloy – Gate material:304,316,316L, Hastelloy – Packing material:Graphite – PN:Class150-600,PN10-100 – Connection: Double Flange,Butt welding,Screw – Operation:Manual, Electric actuator – Application:Chemical,Petrified,Petrol,Steel,Mine, Hydroelectricity ,Marine for air conditioner of building and gas,water,oil system as shut-off and isolation
